# FULFILL SHOPPE FUNDRAISER!

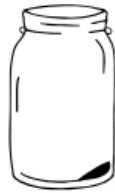

To Raise Money in Support of Leigh Elementary!

OCTOBER 20TH, 2020 - JUNE 20TH, 2021

@[HTTPS://WWW.FULFILLSHOPPE.COM](https://www.fulfillshoppe.com)

Fulfill Shoppe is a local business that is passionate about a ZERO WASTE lifestyle. Not only are they making our planet a better place, they are also supporting our local economy by working with many businesses within our community. Order your cleaning products, beauty products, pantry items including coffee/oil/vinegar/premix/snacks/baking staples/gluten friendly/vegan + much more from NOW until JUNE 20th, 2021 and Leigh will receive 5% from every purchase! Use code: LEIGH at checkout with EVERY order to ensure Leigh receives the funds!

Life is busy, we get it. Buying in bulk, bringing your own containers, weighing, measuring... it all takes time. Let us make low waste living easy. Use our jar and container program and we take care of all the dirty work for you... literally.

### Step 1 - Order Online

Place your order online, choosing your products, jar or bag size and quantity. We have lots of helpful info for each product to guide your order.

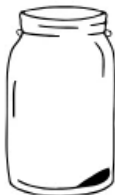

### Step 2 - Delivery

We fill, pack and deliver your order right to your door on select delivery days. We deliver on Monday and Thursdays. Cut off for each delivery day is 5 PM the day before.

### Step 3 - Enjoy

All items can be used in the refillable jars/bags provided or moved to your personal containers. If you aren't ready to return your jars/bags in your next order you can leave out with a future delivery when ready to return.

### Step 4 - Reorder

Set reoccurring orders (feature coming soon) or just order what you need when you need it. Leave out your empty containers for us to collect, sanitize and refill.

At Fulfill Shoppe we offer a variety of zero waste products and refillable items such as dry pantry goods (coffee, flour, grains, snacks etc), beauty products (shampoos, conditioners and lotion) plus a selection of eco friendly home cleaning supplies such as dish washing detergent and laundry soap. [Learn more about our jar and bag program here.](#)
